Koshy, J.

Appellant-petitioner met with a motor accident, by which he suffered fracture tibia and fibula lower one third of left leg with inchaemia of the distal segment etc. Considering the medical bills and the medical certificate issued, the Tribunal awarded a compensation of Rs.1,94,380/- with interest and cost. We are of the view that just and reasonable compensation is awarded and no enhancement is necessary. We also note that the Insurance Company also filed appeal and the same was dismissed.
